From the xylitol professionals at Xlear, Inc.:

For years, professionals advised brushing twice a day for at least two minutes for dental caries prevention. It's time to take it up a notch. Since the 1960s researchers have studied the effects of xylitol on bacteria in the oral cavity. Study after study has found that xylitol use is hugely beneficial in oral health, which is why dentists and hygienists are turning to xylitol.

Studies show that five exposures to xylitol a day gives maximum benefit. Luckily, Xlear, Inc. developed a line of products under the brand name Spry to make it easy and convenient for anyone to get the necessary amount of exposures throughout the day.

Now is the time to help your patients take preventative measures in their oral health by introducing xylitol to them. The Halloween Candy Buyback is an excellent opportunity for you and your patients to get acquainted and start using Spry products. With the purchase of the [PLATINUM](#) registration, you will receive 50 sample baggies of Spry and other xylitol products along with helpful literature on the benefits of xylitol. These baggies can be used to hand out to your patients and buyback attendees!

Team up with Xlear, Inc and the Halloween Candy Buyback in helping instigate a smart and easy prevention protocol in your young patients.

Once again, we're partnering with Operation Gratitude in our donation efforts. They've been an integral part of the buyback program since the start and we can't thank them enough for accepting the candy and supplies we send their way. In sending care packages to the troops, Operation Gratitude provides a service that many feel they should do, though most don't take the time to put forth the effort. These great people work non-stop to ensure that our support is shown to those fighting for our freedom!

**CANDY MUST BE SHIPPED TO OPERATION GRATITUDE
BY MID-NOVEMBER**

Welcome Back Switch Witch!

Of course, you know the Tooth Fairy and you probably know the Elf on the Shelf too...

Now, Switch Witch children's book and doll are here to help with those kids who are more reluctant to give up their Halloween Candy. Kids get to play with their cool Switch Witch doll in October and then on Halloween night while they're asleep, their Switch Witches switch their candy for a gift!

At this point, parents themselves can bring any and all candy donations to their participating HCBB dental office for it to be sent to the troops via Operation Gratitude.

What a great match Switch Witch is for HCBB!

You can purchase one Switch Witch package for your waiting room as a sample for families to see -or- even better, you can purchase a bulk order to sell them yourself at your office! The book comes in a beautiful box along with a soft Switch Witch doll and "flying" cauldron.

Please visit the website www.switch-witch.com for more information and for ordering.

We're glad to have Switch Witch back again!
