# WE ARE CLEARING THE REGISTRY!!!

We will be resetting the buyback registry on January  
1st.

**EVERY** participant must re-register for  
the 2015 Buyback season!!!!!!

We are sorry for the inconvenience but we strive to have the most current and up-to-date registry possible. Once cleared, the registry will again be open to list your practice and have it searchable via the ZIP code search at [www.halloweencandybuyback.com](http://www.halloweencandybuyback.com)

Still no word on the numbers but from a reliable source at Operation Gratitude, the numbers are "staggering." Simply based on the national exposure and ballooning of registrants this year, we expect incredible numbers that we'll be looking to top next year!

**Stuck with candy that missed Operation Gratitude's November 15th deadline?**

Not to worry, the [Fisher House](#) or [Operation Shoebox](#) are great alternatives!
